

## 2022 SPONSORSHIP PACKET

All women and children deserve to feel safe, have stability, and hope for a future.

The problem is that many women end up without the education or resources they need for life. That leaves them feeling isolated and hopeless.

At Alpha-Omega Miracle Home we have seen countless stories like this, and it is heartbreaking. That's why for over 20 years, we've helped women go from homeless to hopeful.

Alpha-Omega currently owns 20 properties. We are at capacity with a waitlist. We will soon be breaking ground on a new campus that houses over 100 residents and a community center.

Your sponsor level support will help support and grow our mission.

No woman or child should be abused or left homeless.

Together we can make a change right here in our community!
