

Our **Mission** is to break the cycle of poverty by demonstrating God's love in providing **housing**, comprehensive **support** and **accountability** to the most vulnerable: **young mothers, their children, and senior women.**

Holding a donation drive or ordering from our Charity Wishlist keeps our diaper bank and blessings closet stocked with items that meet the daily needs of our residents and community members.

See our needs list below or scan QR code to check out our Amazon Charity Wishlist.
